Other Items

- Jenn Pyz presents proposal that St Gregory's be the host school for this spring 2018's Swim Meet which will take place at the Etobicoke Olympium in late April. If a school doesn't take this on, the meet does not happen. Last year the school hosting netted almost \$55,000 and the year prior \$60,000. There are potential fundraising activities like sponsorship, silent auction, food and drink, raffles and other things that can be had during the meet itself. Most large schools have hosted this since its 1992 inception, St Greg's has not. A Swim Meet committee would need to be established in order to facilitate this event (it would organize the parent/volunteer help) as well a float is provided by the school who hosted the year prior so there would be no council expense. Jenn and Maria Skinner would volunteer as subcommittee chairs for this event/ subcommittee.
- Jenn proposes we go ahead with hosting the swim meet, Christina seconds it - vote passes 15 in favor
- Marcia Boule volunteers to have her company donate the initial set up for a new St Greg's School website and CSPC will cover the monthly hosting fees. With this we will have a designated web master who will update accordingly and ensure the website is current and informative for the parent community.

- Budget Committee's meeting is set for Wednesday October 4th at 7pm in the staff room

Goodnight and meeting closed by chair Stephen Thomas
